General Departmental Information

Objectives & Purposes:

The objectives and purposes of the Greenwood County Parks & Recreation Department Sports Leagues are to develop, promote and regulate amateur sports in Greenwood County and to establish rules and regulations governing all teams participating in any activity that will be beneficial to the well being of the participant and to stimulate wholesome recreational activities.

Policy/Rule Changes:

The Greenwood County Parks & Recreation Department reserves the right to change any and all rules, regulations and policies when due cause warrants. When a change is made, all managers or coaches or teams affected by such change will be notified immediately. Additionally, league dates and locations may be amended as circumstances warrant.

Warning/Waiver:

Although participation in supervised athletics and activities may be one of the least hazardous in which any person will engage, by its nature, participation in athletics includes a risk of injury which may range in severity from minor to serious.

Although serious injuries are not common, it is impossible to entirely eliminate this risk. Participants can, and have the responsibility to, help reduce the chance of injury. Players must obey all safety rules, report all physical problems to their coaches and inspect their own equipment daily.

By signing the registration form, each player waives Greenwood County from all claims and liabilities of any kind arising out of participation in the involved sport. Those who do not wish to accept the risks described in this warning should not register or participate.

Insurance/Injuries:

The Greenwood County Parks & Recreation Department carries no insurance on players, coaches or game officials. Participants are responsible for any and all charges resulting from medical emergencies.

High School/College

Please note that High School eligibility may be affected by participation in Recreation Leagues.

Registration

Each child must register and participate in the school district in which he resides. A signed registration form and a copy of the participant's birth certificate are necessary to register. Once we have a copy of the Birth Certificate in our office, it will remain on file until the child is too old for any of our Youth Programs. For registration times and locations, contact your local recreation center office.

Volunteers/Coaches

Coaches are all volunteers who give their time to help with the programs. While we have a few volunteers that are with us year after year, the majority of our coaches are mothers and fathers of the players and change from year to year. We rely on you as parents to step forward when asked to assist in any way that you can in order to help make the program a success for your children. All volunteer Coaches are required to complete a Coach's Application during the registration period. An email address, signature, driver's license and social security # are required on this form. Background checks on all applicants are mandatory.

Physicals

While physicals are not required, it is recommended that parents take all necessary precautions to ensure their children are physically able to participate.
